

3: Leading Others with Coaching Conversations

Are all of your meetings with your people as productive as you'd like?

Build the ability to have structured coaching conversations and watch how much more effectively you engage your people and help them get real clarity around what's expected of them – becoming a trusted source of support and expertise they can lean on.

Do

- Watch the ['Nudge' video for session 3](#) on your program page

Think

- What would it be like if you approached all your team conversations using G.R.E.A.T?
- Imagine the time you'd save, and the clarity you create, if every conversation you have with your team members used G.R.E.A.T

Act

- Set an intention to give G.R.E.A.T a real go and raise your leadership skills
- Check your calendar: what's the next opportunity you to have to apply G.R.E.A.T?
- [Download the G.R.E.A.T. template](#) to prepare your future meetings more effectively
